(Section 37 (3) (4).)

32-A. No building forming part of a factory or shed or a store room or warehouse there-with shall have a thatched roof or walls.

32-B. Every room in which more than 200 persons are employed shall be provided with an automatic sprinkler.

32-C. There shall be provided in every factory in readily accessible places:

(i) four fire buckets filled with dry sand for the first 1,000 square feet of floor area and one additional fire bucket filled with dry sand for every additional 500 square feet of floor area or part thereof; or

(ii) one 2 gallon fire extinguisher for the first 5,000 square feet of floor area and one additional 6-gallon fire extinguisher for every additional 5,000 square feet of floor area or part thereof.

32-D. Oil, petrol or other highly inflammable material shall not be kept in any part of the factory building, but shall be stored in an outside or outside detached shed.

32-E. The manager of every factory shall cause to be exhibited a notice in English and in the chief vernacular of the locality, prohibiting smoking or the use of naked lights or lamps, at every place in the factory where in his opinion or in the opinion of the Inspector, such smoking or use of naked lights or lamps, as the case may be, would be dangerous. The manager shall take all reasonable precautions to prevent the due observance of these rules.

Fort St. George, January 23, 1932.

No. 25.—In exercise of the powers conferred by sections 25 and 26 of the Madras Forest Act, 1926 (Madras Act V of 1926), and in pursuance of the rules published with Development Department Notification No. 322, dated 24th September 1926, at page 225 to 226 of Part I of the Fort St. George Gazette, dated 12th October 1926, as subsequently amended, the Government in Council is hereby pleased to make the following rules to regulate the transit of unworked or the revenue districts of Salem, Trichinopoly and South Arcot:—

SANDALWOOD TRANSIT RULES FOR THE REVENUE DISTRICTS OF SALEM, TRICHINPOLY AND SOUTH ARCOT.

1. Definitions.—In these rules, the term "Sandalwood" includes Sandalwood bark and chips.

2. Rules for import and export.—No person shall import sandalwood bark, or export sandalwood from, the revenue districts of Salem, Trichinopoly and South Arcot except by the route specified in Schedule A.

3. Conditions for import, export and movement.—No person shall import sandalwood bark, or export sandalwood from, or move sandalwood within, the revenue districts of Salem, Trichinopoly and South Arcot unless such sandalwood is accompanied either by the pass prescribed by rule 2 or the way pass prescribed by rule 7 and unless such sandalwood bears the mark of the Government of origin as provided in rule 9 or the property mark in respect of such sandalwood has been duly registered in accordance with this rule.

4. Additional condition for import or movement (in certain towns or villages).—No person shall import or move sandalwood into any of the towns or villages specified in Schedule B unless such sandalwood is accompanied by a certificate of the appropriate checking stations specified in that Schedule.

5. Rules of passes.—(i) In the case of sandalwood purchased from Government lands and deposits in the revenue districts of Salem, Trichinopoly and South Arcot the pass shall be in Form I and shall be printed.

(ii) In the case of sandalwood purchased at the Government sales in Mysore, Travancore, Coorg and British Territory, and imported into the revenue districts of Salem, Trichinopoly and South Arcot, the pass shall be that issued by the Government or administration responsible for the sales and such pass shall be valid only for transport to the destination specified in Form I.

(iii) In the case of imported sandalwood other than that referred to in sub-rule (ii), the pass shall be in Form II and shall be printed. It shall be supplied free of cost, on application, by the District Forest Officer having jurisdiction.

(iv) In the case of subsequent movement of imported sandalwood other than that for which Form I is prescribed, a printed pass in Form II shall be issued. It shall be supplied free of cost, on application, by the District Forest Officer having jurisdiction.

6. Issue of passes.—(i) Form I, Form II shall be in triplicate and shall have all parts filled up by the District Forest Officer or an officer duly

authorized by him. The District Forest Officer or the officer authorized for the purpose shall hand over the charge of the plantation and the deposits to the Range Officer, and when the deposits are transferred for sale in the office.

(2) Forest in Forests if shall be in ignorance and shall have all prices fixed up by the person disposing of the woodland for the authorized agent, (transferred) shall be. In such case, the person shall be liable to be proceeded against by the District Forest Officer or by the Range Officer having jurisdiction by the person having the power who shall retain custody of the woodland in his store or in his land for purposes of sale for a period not exceeding thirty days from the date on which the deposit was passed to the District Forest Officer or delivered to him by some agent, whichever may be. The receipts of the person shall be returned by the person having the power for not less than six months from the date of issue of the receipt of the person shall be produced for two years in any case within that period on demand by any Forest Officer not below the rank of Assistant.

3. Check of stacks.—All woodland in stacks shall be gauged for measurement at the first checking station on the authorized route between the 3 o'clock a.m. and 6 p.m. and if such woodland arrives at the first checking station at 3 p.m. the officer in charge of the checking station shall close it till 6 a.m. following for measurement.

The officer in charge of the checking station shall also certify himself that the woodland enters in accordance from the locality and is of the kind stated in the Forest Government pass or the pass in Form I or II, as the case may be, and is not in excess of the quantity specified therein, except such pass and pass in Form I or II as the case may be and the District Forest Officer having jurisdiction, stating clearly his reasons for the action taken.

The quantity of woodland under transit shall not be greater than that entered in the pass and if it is less, the excess pass shall not be used again to cover the deficiency.

The pass in Form I or II shall be in duplicate, the original shall be given in exchange for the Forest Government pass or the pass in Form I or II as the case may be and the duplicate shall be retained by the officer in charge of the checking station.

The way pass shall protect such woodland along the route in its destination and shall be produced and submitted at all subsequent checking stations on that route.

4. Production of pass at the checking station.—The Forest Government pass, the pass in Form I or II or the way pass in Form II as the case may be, shall, in the case of imported woodland and woodland for export, be produced with the woodland for examination at any station which may be notified from time to time by the Collector concerned in the District Gazette as a checking station and pass with the woodland may

be taken. In the case of woodland in transit, such pass shall be produced anywhere within the limits of the various districts of Union, Terrestrial, and South Coast, where demanded by any Forest Officer or Forest Officer and at the checking station nearest to the locality of falling and at all subsequent checking stations notified from time to time by the Collector concerned in the District Gazette and pass with the woodland in transit.

No person shall take any woodland off, or pass it from, any road on which a checking station has been placed with intent to evade the production of the woodland at a checking station.

5. Use and Registration of Property marks.—(1) All woodland imported from Mysore, Travancore and Coorg and all Government woodland disposed of locally shall bear the mark of the Government of origin in the following manner:—

Every piece of woodland shall bear the new Government mark and in the case of ships and sea transport in bags, the latter shall be closed and the fastening sealed with the above mark.

(2) All other woodland imported into, or exported from, or moved within, the area specified in rule 3 shall be similarly protected by a property mark affixed in the manner provided in sub-rule (1).

All such property marks shall be registered at a District Forest Office.

(3) In accordance with the provisions of sub-rule (1), if the marks relate to woodland extracted from private lands within the said areas and

(4) In accordance with the provisions of sub-rule (1), if the marks relate to woodland other than that extracted from private lands within the said areas.

(5) (a) (i) Every application for the registration of a property mark in respect of woodland extracted from private lands within the area specified in rule 3 shall be accompanied by a statement in Form IV in which all the particulars therein prescribed shall be furnished to the District Forest Office concerned and also by six facsimiles of the mark proposed. The form shall be supplied free of cost, on application, by the District Forest Office.

(2) Each approved form, bearing handwritten, shall be stamped up to the horizontal line, after having been at a rag of bark and exposed, 2 to 3 inches wide, at least, height of the tree from ground level before it was applied. The date, in ink, over this rag of bark shall be recorded in the statement in Form IV.

(3) Every person approved and allowed shall bear an distinctive serial number which shall be written legibly in ink anywhere on it if it has a bark, not up into stem and retained separately. Where the tree has been cut up into billets and roots, all parts of such such tree as cut up shall bear, at their cut ends, the stamped serial number assigned to that tree, as in the case of woodlands, and check later by the District Forest Office or by his subordinate.

(4) The exact situation of the land where each of the harvested—growing trees was extracted shall be indicated on the ground by

a sheet numbered pag which shall be well dried, kept at the pit formed in the process of agresting, the number on the pag being the same as that written on the wood concerned. These pag shall be retained until such time as the District Forest Officer or his authorized clerks the woodshed and verify the locality of felling.

(2) The hardwood obtained from each of the upstems of trees shall be weighed and the result recorded in the statement in Form IV, indicating in it at the same time the number of root and stem wood pieces obtained from each such tree, with an abstract in the 'Remarks' column showing the total number of trees cut, and obtained, their total surface exposed in number of pieces (roots and limbs separately) and the aggregate of all pieces in respect of which the registration of property mark is desired.

(3) After the application, with the statement in Form IV, containing all the particulars therein prescribed, is received, the District Forest Officer or an officer subordinate to the District Forest Officer who is authorized by him in this behalf shall, as soon as possible, inspect the locality of extraction and identify the woodshed by verifying the girth and assembling all the parts of such tree and satisfy himself about the accuracy of the details furnished by the applicant. If the result of such inspection is satisfactory, the District Forest Officer shall mark the main wood with the District pass hammer and subject to the provision of clause (4) of this regulation grant a certificate of registration in Form V as far as is practicable as possible.

(4) The District Forest Officer or any officer authorized by him may require from any person, either when procuring a property mark for registration or at any subsequent time, information as to source or origin and the quantity of woodshed, period of felling, species, nature, degree of deterioration and such other details regarding his method of felling, loading or working as the District Forest Officer may think necessary. The District Forest Officer may refuse registration and may cancel the registration of any property mark if the information required is not given, or if he considers that such property mark cannot easily be distinguished from a Government mark or from a property mark used by another person, or if he has reason to believe that the person using the property mark is or has been concerned in any illegal practice with regard to the woodshed or for any other good and sufficient reason. The reasons for such refusal or cancellation shall be entered on the record and may be placed upon record by the District Forest Officer and authorized for the approval of the Collector.

(5) (1) Every application for the registration of property mark in respect of woodshed and other trees that have been felled from private lands within the areas specified in rule 3 shall be accompanied by the statement of the mark proposed.

(2) After the receipt of the application, the District Forest Officer, or an officer authorized by him in this behalf, shall check such woodshed and if the result of such checking is satisfactory, the District Forest Officer shall,

subject to the provisions of clause (4) of subrule (5), grant a certificate of registration in Form V, with as little delay as possible.

(3) All woodshed in respect of which a property mark is registered under this subrule, shall be marked with the District pass hammer by the District Forest Officer or by an officer authorized by him to do so.

(4) The date up to which, and the description and quantity of woodshed for which registration of property mark has effect.—The registration and such renewal of registration of a property mark shall be valid only in respect of the woodshed such quantity of the woodshed entered in Form V and be renewable from the date of such registration or renewal until the first day of April following, unless otherwise stated.

(5) Extension of small quantities of woodshed secured by some other means, or by rule for their own use.—Nothing contained in these rules shall apply to—

(a) Woodshed not exceeding 15 lb. in weight carried by any less than two persons or under his authority for his own use, or

(b) Woodshed cut and carried by a spot felling and not from trees growing on the same lands at the spot or at any neighbouring spot from which title to such woodshed is derived provided that he obtains a certificate of title from the village official and that the quantity cut and carried on each occasion does not exceed 15 lb. in weight.

(6) Penalties.—Wherever infringe any of the provisions of these rules shall be punished with imprisonment which may extend to one month or with fine which may extend to two hundred rupees or with both.

DRAFT RULES.

PART I.—General.

1. These rules may be called the *Madras Foodstuffs and Adulteration Rules*.

2. In these rules "the Act" means the Madras Foodstuffs and Adulteration Act, 1926.

PART II.—Rules under clause (a) and (b) of section 26.

3. The local executive officer may adopt in writing all or any of his powers under the Act as any kindred of a purchase agent, locally known, Assistant Health Officer or Sanitary Inspector, either by name or by title or office. The exercise of any power so delegated shall be subject to the control of, and review by, the local executive officer.

4. The local executive officer or any person duly authorized by him may exercise the power conferred on, or delegated to, him under sections 7, 9 and 14 of the Act within the local area in respect of which he holds office.

PART III.—Rules under clause (c) of section 26.

5. Every article or vessel used for manufacturing, preparing or containing any food intended for sale shall be kept at all times in good order and repair and in a clean and sanitary condition. No such vessel or vessel shall be used for any other purpose.

6. No person shall use for manufacturing, preparing or containing any food intended for sale, any vessel or vessel which is improperly constructed or unsanitary or which is made of such material as is in such a state as to be likely to injure such food or render it unsafe.

7. Every article or vessel containing any food intended for sale shall at all times be covered provided with a tight fitting cover or kept closed or covered by a properly fitting lid or by a close fitting cover of glass, not of other material of a nature sufficiently firm to protect the food, nor readily torn and and thus and other means.

8. No article or vessel used for the manufacture or preparation of, or containing any food intended for sale shall be kept in any place in which such vessel or vessel is likely by reason of impure air or food being offensive, odorous or dangerous gas or substance in any manner or by means of vermin, rodents or otherwise, to be contaminated and thereby render the food unsafe.

9. Whenever notice is given of any of the rules in this part shall be promulgated with fine not exceeding Rupees five hundred for every offence under the Act.

PART IV.—Rules under clause (d) of section 26.

10. Every advertisement of and every price or trade list containing an article of food which is prepared in substance of glass, or as a substitute for glass and other such glassware mentioned in rule 26 or not, shall refer to such food by a name approved in the schedule or subsequent schedule to these rules. No such advertisement or price or trade list shall contain any words which might imply that the food is an adulterated article of food.

11. Every package, completely, round or partly containing an article of food which is prepared in substance of glass, or as a substitute for glass and other such glassware mentioned in rule 26 or not, shall be labelled with an adhesive label, hereinafter referred to as the *adulteration label*. The adulteration label shall bear the name of the food as specified in the schedule or subsequent schedule to these rules. The name shall be printed in dark black type within the space of an inch in height upon a white ground at the centre of the label and nothing else shall be printed on the label. The adulteration label shall be clearly visible to the purchaser.

12. The adulteration label shall be printed in English and in the chief vernacular language of the district in which the food is sold or offered for sale.

13. Unless the vendor of an article of food which has been labelled as required by these rules knows personally that the purchaser is able to read and understand the adulteration label he shall, when supplying an article so labelled in response to a request for purchase, be responsible for explaining, in plain language, the meaning of the words which the article is so labelled for glass and does not contain of adulterated glass.

14. No name shall be used to describe an article of food prepared in substance of, or as a substitute for, glass which has not been approved by Government and included in the list of names thereby, and no such name shall be approved which refers to or is suggestive of the word glass or its vernacular equivalent or to anything connected with the word glass. Approved names will be printed in schedule to these rules.

15. Whenever a sample of any of the rules in this part shall be promulgated with fine not exceeding Rupees five hundred for every offence under the Act.

PART V.—Rules under clause (e) of section 26.

Cow's Milk.

16. Where a sample of cow's milk (not being sold or offered for sale as sterilized or separated milk) contains less than 4 per cent of milk fat, it shall be presented for the purposes of the Act, until the contrary is proved, that the milk is not genuine, by reason of the adulteration thereof of milk fat, or the addition thereof of water.

17. Where a sample of cow's milk, whether sold, or offered for sale as cow's milk or as sterilized or separated cow's milk, contains less than 8.5 per cent of milk solids other than milk fat, it shall be presented for the purposes of the Act, until the contrary is proved, that the milk is not genuine by reason of the adulteration thereof of water.

18. Where a sample of cow's milk, whether sold, or offered for sale as cow's milk or as sterilized or separated cow's milk, contains less than 0.5 per cent of urea, it shall be presented for the purposes of the Act, until the contrary is proved, that the milk is not genuine by reason of the adulteration thereof of water.

Buffalo's Milk.

19. Where a sample of buffalo's milk (not being sold or offered for sale as sterilized or separated milk) contains less than 4.5 per cent of milk fat, it shall be presented for the purposes of the Act, until the contrary is proved, that the milk is not genuine by reason of the adulteration thereof of milk fat, or the addition thereof of water.

20. Where a sample of buffalo's milk, whether sold, or offered for sale as buffalo's milk, or as sterilized or separated buffalo's milk, contains less than 8 per cent of milk solids other than milk fat, it shall be presented for the purposes of the Act, until the contrary is proved, that the milk is not genuine by reason of the adulteration thereof of water.

ROBACAPU GRAP OF 1931—THIRD OR FINAL REPORT

[On an average of the five years ending 1929-30, the area under sugarcane in the Malacca Peninsula has represented 5 per cent of the total area under agriculture in India.]
The area planted with sugarcane up to the end of December 1931 is estimated at 110,500 acres as compared with 111,728 acres at the corresponding date of last year, i.e., an increase of 4.3 per cent. Last year's estimate fell short of the finally recorded area of 114,677 acres by about 2.7 per cent. The area in an average year is estimated at 109,963 acres.

2. The present estimate of area exceeds the second forecast by only 6,830 acres. The excess occurs mainly in Vellore, Coimbatore, Trichinopoly, Bellary and South Arcot.

3. The increase in area over that in the first forecast of 1930 occurs in all districts outside East Godavari, Kanna, Chidambaram, Trichinopoly and the South (diamonds excepted).

4. The crop is coming harvest. Normal yields are expected only in the Cinnam, Kanna, Bellary, Malacca, Chingleput and South Arcot.

[Area in acre of cane, i.e., 9 being omitted; yield in tons of sugarcane, i.e., 6 being omitted.]

In the other districts, the yield is expected to be below normal as the crop was affected by drought in early stages and delayed to some extent as a result of the heavy rain of December. The seasonal labor for the Trichinopoly works out at 37 per cent of the average as against 36 per cent in the previous year. On this basis, the yield is estimated at 210,450 tons of sugarcane as against 210,150 tons at the corresponding date of last year, 221,353 tons in the season and crop report of last year, and an average yield of 207,460 tons.

5. The wholesale price of sugarcane per cwt. of 480 lb. is reported to have fallen in East Godavari, West Godavari, Chingleput, South Arcot, North Arcot, Tanjore, Madurai, Bellary and South Arcot, and to have risen in the other districts as compared with the prices reported in December 1931. The present prices are Rs. 20 to 30 in Chingleput, Trichinopoly, North Arcot, Coimbatore and South Arcot, 25 to 40 in Chingleput, South Arcot and Chidambaram, 30 to 45 in Bellary and Tanjore, 35 to 60 in Trichinopoly, Madurai and Tanjore, and Rs. 20 to 45 in the other districts.

6. Figures by districts are given below.

TENDER FOR THE WORK OF DREDGING THE WATERSHED CUTTINGS OF THE PENJAYAR LAKE.

Tenders will be received by the Executive Engineer, Puzosar Division, at his office at Tellicherry up to 5 p.m. on 15th February 1933 for the work of "Dredging the watershed cutting of the Puzosar Lake."

The tender should be in the prescribed form obtainable from the Executive Engineer's Office.

2. Tenders must be submitted in sealed covers and should be addressed to the Executive Engineer, Puzosar Division, the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the representative name by a member of the firm, who shall also sign his name and the name and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorized officer who shall produce with the tender, valid evidence of his authority. Such tendering corporation may be required before the contract is awarded, to furnish evidence of its corporate existence.

2. Each tenderer shall pay at least a security of ten of Rupees or the equivalent into the Treasury of the Government of India or into the nearest Government Treasury or sub-treasury within the jurisdiction of the Executive Engineer, Port of Bombay, to the credit of revenue deposits on behalf of the Executive Engineer of the Port of Bombay, and shall receive with his tender the check endorsed accordingly. This amount of money will be returned to the successful tenderer on application, after liquidation is complete at the expiration of the tender or at the expiration of two months from date of tender whichever is earlier. This check will be authorized by the Executive Engineer by suitable endorsement on the check. This amount money will not be received in cash or necessary notes.

The amount money will be returned in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer shall submit a security deposit which shall be retained by the Division Office on the date of which the tender is accepted. The security deposit shall be in the form of a cash or in the form of a Government Treasury or branch of the Imperial Bank or one of the forms provided in the Madras Public Works Department Account Code, which shall be retained together with the amount money and which shall be returned to the tenderer on the date of completion of the contract. Failure to enter into the required agreement or to make the security deposit as defined in the paragraph shall result in forfeiture of the amount money.

5. The tenderer shall examine closely the Madras Detailed Standard Specifications and also the Standard Preliminary Specifications contained therein and sign the Divisional office copy of the Madras Detailed Standard Specifications and an address volume in form of each copy before submitting his tender and notes, which shall be for finished work is to be according to the approved plan. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The Madras Detailed Standard Specification and other documents connected with the contract such as special notes, plans, description, specification sheet regarding materials, etc., can be seen at any time between 11 a.m. and 5 p.m. on office days in the Office of the Executive Engineer, Port of Bombay. A copy of the set of contract documents can also be had on payment of Rs. 5-0-0 for each set.

6. The tenderer's attention is directed to the requirements for materials under the clause

"Materials and Workmanship" in the "Preliminary Specification".

7. Every tenderer is expected, before quoting his price to inspect the site of the proposed work and to study the local conditions.

The Government will not, however, after acceptance of a contract take any responsibility for loss or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the tenderer is directed to the standard "Preliminary Specification" regarding payment of materials, tools, etc.

8. The tenderer's particular attention is directed to the sections and clauses of the Standard "Preliminary Specification" dealing with—

(1) Test, inspection and rejection of defective materials and work.

(2) Closures.

(3) Construction Plans.

(4) Water and lighting.

(5) Showing up during progress and for delivery.

(6) Accounts.

(7) Risks.

(8) Details on particulars of payment.

The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

9. A Schedule of quantities accompanies this tender notice. It shall be distinctly understood that the Government does not accept any responsibility for the correctness or non-correctness of this Schedule and that the Schedule is liable to alterations, by additions, deletions, or otherwise, at the discretion of the Executive Engineer, Port of Bombay, or as he may think fit at the discretion of the tenderer. The tenderer should quote specific rates for each item in the Schedule and the rates should be in Rupees, annas and in some of three paces. The rates and the notes for the items should be written both in words and figures. The tenderer should also show the total of each item and the grand total of the whole contract. This Schedule shall be written legibly and free from erasures, over-writings or corrections of figures. Corrections where unavoidable should be made by crossing out, initialing, dating and re-writing.

10. Tenderers offering a percentage reduction from or increase on the estimate accepted, and those not submitted in proper form or at the time will be rejected. Rates or items and amounts for items not asked for shall not be included in the tender. No attention shall be made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be accepted, and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own prices, without reference being made to the Madras Public Works Department current Schedule of Rates or to the Madras Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the amount from which various particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at those prices and shall quote their price for finished work accordingly. Misunderstanding any subsequent change in the market value for these materials the charge to the contractor will remain as originally entered in the tender contract. No estimate

or incidental charges will be borne by Government in connection with this supply.

13. The attention of the tenders is directed to the contract requirements as to the time of beginning work, the rate of progress and the date for the completion of the work and also the actual price. For entering into of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done will be required. Date of commencement of this programme will be the date on which the site for processing is handed over to the contractor, which will approximately be 1st March 1932.

Two months Not less than 30 per cent of work completed.

Three months 100 per cent of work completed.

The bids will be closed during the period between 1st March 1932 and 31st May 1932. The work must be completed within this period.

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power of attorney authorizing others to receive payments on the contractor's behalf.

15. If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order and according to instructions.

16. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

17. Work done in March 1932 will be paid for only on or after 1st April 1932.

18. (a) The Tenderer's Bill must be in the form of a bill of exchange payable to the order of the Executive Engineer and must be in the form of a bill of exchange payable to the order of the Executive Engineer and must be in the form of a bill of exchange payable to the order of the Executive Engineer.

(b) The tenderer must include all charges for lifting and other incidental items for removing each and every item from the site to the place of deposit and for depositing the same in the place of deposit.

(c) The tenderer must submit an approximate programme of work showing the weekly amount of work to be done during the period of the contract.

(d) Payment will be made for each month of work according to the approved programme. In case when the tenderer has been found to be in default of the programme, payment will be made only for such quantity as is completed to be accepted.

Payment will be made for each month of work according to the approved programme.
